HOW TO USE

1. Unlock the nozzle by turning the spray head.
2. Spray your motorcycle or moped evenly.
3. Allow the product to soak for 3 to 5 minutes if necessary; rub off any stubborn dirt with a sponge or brush.
4. Thoroughly rinse your engine or moped with a powerful water jet or high pressure cleaner.
5. Lock the nozzle by turning the spray head.

First, check the effect of the product, then test the product in a small and non-visible area, and always follow the manufacturer's instructions carefully. Do not spray on hot parts. Do not use the product in bright sunlight. Always store and transport the bottle in an upright position. Keep out of reach of children.
